

Natasha Nanda

Natasha.nanda@asu.edu

(480) 324-6049

EDUCATION: Bioengineering, B.S.E Major
Pre-Veterinary medicine Student

PREVIOUS COURSEWORK:

- Intro to Bioengineering (BME 100)
- General Chemistry I (CHM 113)
- General Chemistry II (CHM 116)
- Differential equations (MAT 275)
- Intro to Nutrition (NTR 100)
- Intro to Computer Programming, c++ (CSE 100)
- General Biology II (BIO 188)
- Nutrition (NTR 241)
- University Physics I (PHY 121)
- Research with ANS for Honors credit (HON 498)

FALL 2008 RELEVANT COURSEWORK:

- Organic Chemistry (CHM 233, 237)
- University Physics (PHY 131, 132)
- Calculus 3 for engineers (MAT 267)
- Bioengineering (BME 200)

QUALIFICATIONS:

- Part time job at a Veterinary clinic
- Has very good time management skills

- A quick learner
- Holds interest in the fields of Science and Mathematics
- Has great communication skill
- Very friendly, can get along with just about anyone
- Capable in PowerPoint, Microsoft Word, Excel. Is in the process of learning MathCAD. Has some experience with MatLab

Experience:

Sugarloaf Animal Clinic 2006-present

- Hands on experience with animals
- Technician/Receptionist position
- Usage of medical equipment such as centrifuge, anesthesia machines, IV-fluids, in house blood machines, animal dentistry equipment, X-ray developing, etc.
- Involvement with animal patient care post surgery
- Hands on experience with giving IM, Sub Q, IV, injections to small animals

Preparation of 3D scans of rat bones with ANS 2008 **Fundraising Chairman for Society of Women Engineers (ASU) 2008-present**

Organizations:

- Society of Women Engineers 2007-present
- ASU Medallion Scholar 2007-present
- Bio-Medical Engineering Society 2007-present
